

Im Memoriam

Dee Krieg, longtime Board member and volunteer, passed away in April. Dee started at The Shop in 19xx, when she was a young girl. She helped in many ways, but had a keen interest in setting up the "Doll Shop" Dee was soon running that area and was elected a Board member in 19xx. The 2009 Shop is dedicated to Dee – we will miss her support and generosity.

Volunteers...

A wonderful crew of volunteers...always ready to help!

Below...sorting toys is a team effort!

Open House. On the first day of the shop, volunteers, sponsors and shoppers unite to celebrate the joyous toy giveaway with music, coffee and cookies at an official Ribbon Cutting.

Below, Laura Casias and Keri Knott provide a hot lunch and snacks for the hundreds of volunteers who work long hours during the four-day toy giveaway.

Above, each November, Santa Shop volunteers team up with 9News for the 9Cares, Colorado Shares food, clothing and toy drive. Items are dropped off at donation locations around the metro area. We appreciate the support from FedEx – helping with toy collection and transportation.

Another group of wonderful volunteers, and the Salvation Army Brass Band providing festive holiday music to entertain shoppers and volunteers.

We're automated! Check-in for the families invited to shop is managed on a bank of computers.

...where would be without them. Thank you.

Shoppers!

For four days, thousands of people in need shop for free toys for their children – searching for that perfect Christmas gift! Santa is there, too, making friends with the little (and big) kids.

Shop hours are 10 a.m. until 3 p.m., but shoppers line up outside the building as early as 8 a.m. At right, some entrepreneurs offer homemade food to those in line.

No one else serves so many – almost 17,000 children last year.
